RUDIMENTAL RECIPE

6 steps

bar 15 of "Peeb" by David Parker

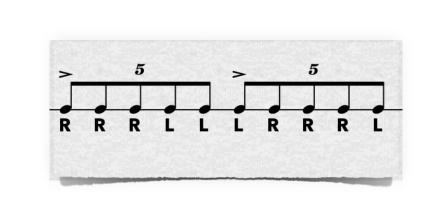

Start with a stock 5-let check.

<u>STEP 2</u>

Add different sticking.

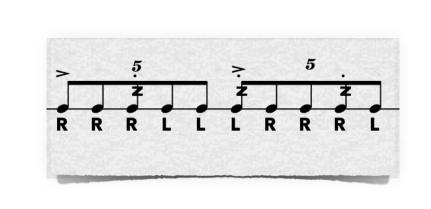

This focuses on the grace notes of the bar and the challenging skill sets that they create.

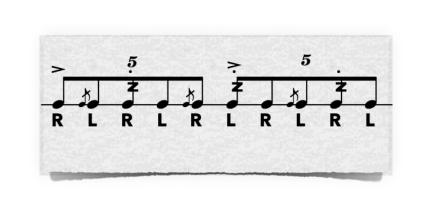

<u>STEP 3</u>

Add the buzzes.

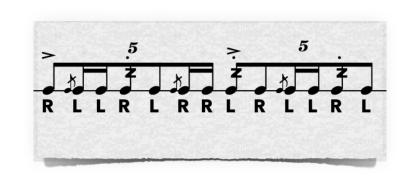

The key here is being **quick and light** while still articulating the correct rhythm & dynamics.

Add the primary notes of the flams.

Double the primary notes of the flams, creating low "cheeses."

Finish the excerpt by "slurring" the cheeses.

The sticking stays the same from the Step 5! Simply play the doubles slightly later after the grace notes, creating an even 3 notes where each cheese was.
